Playgrounds' Picnic At Canobie, Tues.

The annual Andover playgrounds picnic will be held Tuesday, July 21, at Canobie Lake park with nearly 400 local children expected to participate in the day's outing. Buses will leave the various playgrounds at 10:15 a.m. and assemble at Shawsheen square, from which they will depart for the park.

Children under eight years of age must be accompanied by an adult. All are requested to bring box lunches.

A full program of events has been planned for the children at the Salem, N.H. recreation center with amusements, games, refreshments and field events occupying the major part of the day. The competitive athletic events will get under way at 2:45 p.m. Paul Lanni and Mrs. Alfred Smeltzer will serve as starters in the field events; the judges will be Joanne Myers, Jane Baketel and Cynthia Hayward; recorder, Jean Dumont; prizes, Georgia Stanley; ice cream, Maureen O'Connell, Mrs. Shirley Cowdrey, Gail Griffin, Margaret Madden.

The picnic has long been considered the highlight in the Andover playgrounds summer schedule and all children of the town are invited to attend.

Bonus Forms Available Here

Twenty-four Andover veterans made application Monday for the Korean Veteran State Bonus, the first day in which applications were acceptable, and Francis P. Markey, director of the Veteran's Service in town hall, estimated that 150 local men and women will file within the next few days.

Applications for the bonus are available in the Andover Veterans Service office on the second floor of town hall. Each veteran filing an application must bring his report of separation (not his discharge) to the veterans office. A

THE GOOD LORD SENT THE RAIN - - - - - Farmer John Rasmussen, Lowell rd., donned his boots on Monday, the first time he had worn them since last May, and like a little boy at play on the ocean beach knelt down by one of several large puddles of water which had formed on his several acre farm and let the water trickle through his fingers while a smile creased his weather-beaten face. Monday's storm brought nearly an inch of rainfall, the first appreciable rain since May 28. And to Farmer Rasmussen, who has been tilling Andover soil since 1912, it brought new hopes for his four acres of corn, his six acres of lettuce, his seven acres of spinach, as well as lesser amounts of cabbage and cauliflower. Said John Rasmussen: "The Good Lord Sent The Rain."

Erickson At Work As School Supt.

When the Andover public school system opens for business in September, two new "captains" will be calling the academic signals for an estimated 2300 students, the largest enrollment in the history of the town.

Superintendent of Schools Edward I. Erickson has been on the job for a fortnight and to quote him: "I like the work quite well."

The former Methuen public schools head initiated his duties here on July 1 and has engaged himself in getting re-acquainted with the various phases of his Andover position. Not since 1945, when he last served as a military substitute for former superintendent (Continued on Page 12)

Mrs. Kiernan Due Home This Weekend

Andover's best known aviatrix, Mrs. Frank W. Kiernan, West Knoll rd., is due home this weekend after having completed the 2,870 mile flight from the Lawrence municipal airport in North Andover to Long Beach, Cal., as a participant in the All Women's Transcontinental air race, known as the Powder Puff Derby.

Mrs. Kiernan, mother of seven children, four of whom are living, talked to her husband over the telephone on Sunday night and told him that she was then at Las Vegas, Nevada, and expected to be in Chicago on Thursday after stops at Amarillo, Texas and Albuquerque, New Mexico. She and her co-pilot, Cherry Strong of Old Lyme, Conn., have been taking a leisurely flight homeward in contrast to the speedy trip west.

Mrs. Kiernan left the Richard F. Condon airport in North Andover at 6 a.m. on Saturday, July 4 and reached Peoria, Ill., at 6 p.m. that night; Amarillo, Texas at 4 p.m. Sunday night and Long Beach, Cal., at 4 p.m. Monday afternoon, finishing the race a whole day ahead of the deadline.

Monday's Rain Boon To Farmers

Farmer John Rasmussen, Lowell rd., like nearly one hundred other market and dairy farmers in the Andover area, raised his thanks to God when nearly an inch of rain visited here on Monday, ending a drought which began May 28th and seriously threatened to drastically reduce the profits to be realized from the crops and dairy products.

"We need a more continuing rainfall," said Mr. Rasmussen, "to get us completely out of the trouble that we're in, but 'thank the Lord' for what he did give us. It was a crop saver for the time being." He said that the parched earth was greatly moistened by what rain did come; that the corn, lettuce, cabbage and other garden products might have been saved and the water from the skies was a blessing, indeed."

For 41 years, Farmer Rasmussen has been cultivating Andover soil. He says he cannot recall any drought ever having come as early (Continued on Page Nine)

Hearing On Store Transfer

**Special Session
In Ballardvale
Saturday Night**

The Andover selectmen have called a special hearing to be held Saturday night at 7:30 o'clock at the Community room in Ballardvale on the application of George Cheyne, who has requested permission to move his general store and limited package store from the corner of Andover and Tewksbury streets to 325 Andover street.

Mr. Cheyne submitted his application for the new location several weeks ago and the board of selectmen at Monday night's meeting set the date for the hearing at which time both persons for and against the transfer will be heard.

The new location being sought by Mr. Cheyne is next to property occupied by the Congregational church, which membership voted 28 to 12 not in favor of the transfer. This registered sentiment was forwarded to the board of selectmen, which body in turn called the special hearing on the matter.

Mr. Cheyne operates a general store and also sells wine and beer on a limited package license. He advanced as his reasons for moving his store that he desires more room in the operation of his business and that his present place of business is being offered for sale. He has operated a store at his present location for the past 32 years.

The law requires notice be given to either church or school authorities when a proposed change of location is within 500 feet of these premises and any type of liquor license is involved.

church vestry for religious classes and the handicraft class will be held in the Sunday school room.

The ten to fourteen year old group will meet in the Methodist church for religious instruction. The boys will be taught handicraft in the precinct room and the girls will have their handicraft lessons in the Community room.

Teachers who will serve are: Rev. and Mrs. Anthony Perrino, Mr. and Mrs. Raymond Wilbur, Mrs. Charles Walent, Mrs. Cleo Audette Jr., Leigh Henderson, Mrs. John Wilson, Mrs. Frank Orlando, Joan Lakin, Diane Mitchell, Margaret Buckley and Marilyn Ness.

Picnic At Farm

Last Wednesday a number of young people and adults enjoyed a canoe trip and picnic up the Shawshen river at the Wallace Burr farm in Tewksbury.

The group left the Methodist church at 10 a.m. and hiked to the home of Frank Serio in Lowell Junction and from there they went by canoes and rowboats, which were loaned them by Mr. Serio.

Arriving at their destination all enjoyed a picnic lunch. Lemonade was served by the women. The return trip was made late in the afternoon. Games were played and swimming enjoyed. While there Joyce Lee Nason received a cut and was required to go to the St. John's hospital in Lowell for treatment. She later returned home.

Those attending: Mr. and Mrs. Raymond Wilbur, Rev. and Mrs. Anthony Perrino, Mrs. Frank Orlando, Mrs. Henry Meyers, Anne Froburg, Carol Evans, Paul McFarlan, Eugene Pimpere, Leigh Henderson, Thelma Sparks, Alan Smeltzer, Prudence Pimpere, Darlene Payne, William Davison, Cynthia Lawrence, Beverly Sparks, Norma Kibbee, Jennie Evans, Richard Lawrence, Paul Bouleau, Barbara Partridge, Marjorie Hunt, Joan Jedry, Diane Mitchell, Richard Doucette, Margaret Buckley, Gerald Davis, Marilyn Ness, Richard Nolin, Gail Goodwin, Joyce Lee Nason, Cynthia and Frank Orlando, and Jerry Davis.

Camp Onway

Boy Scout Troop 76 returned Sunday from Camp Onway where they enjoyed the past week of outdoor camping life.

Scoutmaster James Butler was very pleased to announce an unusual honor which was bestowed on Ralph Buschmann, that of Camp

Honors. This usually takes two weeks to obtain, but Ralph accomplished this honor in one week. He will be presented this honor at the troop Court of Honors to be held in the fall.

Tent honors for the week were received by the Erie patrol of which Ralph Buschmann was leader and Robert Colpitts assistant leader. All boys in this patrol will receive honor badges. The troop has awarded them a trip to Camp Quinapoxet, West Rindge, N. H., of which Arnold Schofield is director. This is the Boy Scout Camp of the Cambridge Council. The following boys will leave early Thursday morning with Scoutmaster James Butler to spend the day: Ralph Buschmann, "Coco" Colpitts, Jeffery Hall, William A. Davis, Peter Brown, Frank Froburg and Robert Haggerty.

Troop 76 held the unit honor flag all week. They also won Indian athletic games. Wednesday the water regatta was held. Many of the boys won merit awards.

A large group of parents attended the Indian dances and council fire ceremonies held Saturday night.

Boys spending the week at camp were: William Smelzer, Donald and Fred Lawrence, Russell and William Robinson, Bruce and Richard Meyers, William A. Davis, Frank Froburg, Jeffery Hall, Ralph Buschmann, Fred Hall, Hartwell Abbott, Roy Sharpe, Robert Haggerty, Donald Milligan, Warren Russell, Peter Brown, Jackie Sutton, William Newcomb, Richard Smalley, Robert Colpitts and Scoutmaster James Butler.

Attend Ceremonies

Mr. and Mrs. Charles Milligan, Mr. and Mrs. Ralph Sharpe, Mr. and Mrs. Bart Smalley, Mr. and Mrs. Henry Meyers, Mr. and Mrs. John Hall and son Steven, Mr. and Mrs. Russell Hall, Mr. and Mrs. Elwyn Russell, Mr. and Mrs. Raymond Wilbur and Rev. and Mrs. Anthony Perrino attended the Indian program at Camp Onway Saturday night.

Summer Hop

The Balletteens are sponsoring a "Summer Hop" Friday night on the skating rink at the playground. All junior and senior high school students are invited to attend. In case of inclement weather the dance will be held in the Community room.

BONUS FORMS AVAILABLE HERE

certificate must be obtained from the Assessors office stating that the veteran resided in Andover for a period of six months prior to his service. When the application is properly signed by the veteran and the assessors, it should be sent by registered mail to the Veterans Bonus Commission, 15 Ashburton Place, Boston, Mass. It must include the original report of separation (DD Form 214). Duplicate copies or photostatic copies are not acceptable. The DD Form 214 will be returned to the veteran after verification of the veteran's being entitled to a bonus.

Under the law no bonus check may be mailed until Sept. 1, 1953. If a veteran died after leaving service or while in service, preference of payment will be made to his next of kin as follows: Wife and children; parents; brothers and sisters or other next of kin or dependents.

In cases of mentally incompetent veterans, guardian or fiduciary will file. Veterans must have been discharged or released from active service to qualify for bonus. If he is still in service he cannot collect unless he is a career serviceman who has been discharged and re-enlisted since June 25, 1950. He must also have either a general

or honorable discharge. Bad Conduct or dishonorable discharges bar his collection of a bonus. Veteran must have had his domicile (home) in Massachusetts for 6 months prior to his date of entry into active service. Veterans who moved into Massachusetts from other States after entry into service or just attended college in Massachusetts are not eligible.

The amounts of bonus are: Veteran who spent anytime outside the United States or at sea after June 25, 1950 will collect \$300; those with more than 6 months of service all within the United States will collect \$200; those who spent more than 90 days in the United States will collect \$100. All service must be after June 25, 1950.

A PICTURE FOR THE ALBUM - - - - - The Ballardvale playground was the scene of a "Parade On Wheels" last week, at which time the youngsters decorated their doll carriages, bicycles and toy automobiles (and even themselves) to present a delightful spectacle, possessing the unique attraction which only children can offer. Twenty years from now the little man on the far right of picture with the paper hat and the large bow tie will have quite a few chuckles (if mommy saves the photo) as will the other "darlings" in the picture. They are, left to right, Barbara Quesenberry, Judith Quesenberry, Jimmy Thompson, Virginia Hall, Jane Thompson and Billy Mozer. (Look Photo)

Playgrounds Hit Mid-Summer Stride

Andover playgrounds activities hit mid-summer stride this week with hundreds of children participating in varied programs.

At the Central playground a costume show was held with Miss Pauline Surette and Miss Jane Baketel as judges. A gold ribbon for the best costume was awarded to Helen Auchterlonie. Other winners were: under five years, Sidney Lamb, Jane and Helen Brown; six to seven years, Ellen Watson, Margaret Brown and Joanne Emmons; eight to nine years, Virginia Snyder, Donald Emmons, Toppy Lanni. A pet show will be held today. Tournaments are being conducted this week in checkers, ping pong, dominoes, sandbuilding and bean bag tossing.

At the Shawsheen playground a doll show featured the recent events and a hat show is on the program for today. Participating in the doll show were: prettiest, Betsy Chase, Joyce Pray, Marie Sapient, Rita Lancaster, Beverly Winters, Kathleen Gaudette, Peggy Tacy, Cynthia Burton, Geraldine Winters and Judy Jackson; largest, Joyce Pray, Geraldine Winters and Gail Dufton; stuffed, Barbara Roberge, Lou Ann King and Margaret Warshaw; most unusual, Susan Barkalow, Connie Westbrook; smallest, Joyce Pray, Connie Westbrook, Carol Jean Locke, Patricia Roberge.

Selectmen Met Monday Night

Andover's selectmen met Monday night and transacted routine business. The New England Telephone and Telegraph company and the Lawrence Electric company was granted pole locations on Beech circle. It was formerly a private way and has been accepted as a public way at the last town meeting. The jury lists were revised, an annual procedure, in order that copies of the lists may be submitted to the clerks to courts by August 1. There are 210 jurors on the Andover list.

HAWAIIAN ARTICLES DISPLAYED AT LIBRARY

A cluster of wood roses is one of the most interesting of the objects from Hawaii which are loaned to the library for display this month. Miss Janice Bowen brought them

with her when she returned from Hawaii last summer. There is a wood tray carved from monkey pod, a long party dress which has a cloth lei about the neck, and several other interesting articles, pictures and books in the display.

Hoing a garden in mid-summer heat is probably what is meant by "growing pains."

Hydrant Water Must Be Metered

A new policy regarding the drawing of water from hydrants for irrigation purposes has been adopted by the board of public works.

Under date of July 10 notice of the following regulations has been issued:

1. Takers using hydrants this year are required to purchase meters of suitable size, with necessary fittings for hydrant mounting, and have the same installed ready for operation before the expiration of 45 days from the date of this notice. Current charges and installation fees shall remain in effect until meter is installed, after which time meter rates will be charged. No water will be furnished from unmetered hydrants for irrigation purposes after 45 days from this notice.

2. Takers desiring water after Jan. 1, 1954 will be required to have a complete underground service and meter, both to be of suitable size. All materials and labor for said service shall be paid for by the taker in accordance with present regulations.

3. The board continues to maintain the right to control the time of flow and quantity of flow of individual takers for the general benefit of all takers.

Who Reads Want Ads?

In this newspaper is a section known as the Want Ad or Classified, says the Rhinebeck (N.Y.) Gazette. Inconspicuous because it stands on its informative content, not on its bold display. No features. Nothing to attract the readers. The ads themselves are comparatively small and seemingly unattractive.

Then why in the world, the Gazette continued, would anyone turn to read Want Ads?

You could answer that question by just reading the Want Ads right now but we want to prove two points. First, why Want Ads are so thoroughly read. Second, why business firms have been regular advertisers.

With no news attractions, people MUST read the Want Ads because they WANT something. They read advertising because they have a problem. Something they NEED.

The Want Ad section is arranged by classification headings. A quick convenient reference guide to solve the "wants and don't wants" of the people. No waste of time. A variety from which to make a selection. It is no wonder we can boast of a huge Want Ad reader audience.

Jobs, houses, cars, rooms, apartments, pets, business opportunities, articles for sale, lost and found items, suppers, sales and services. Name what you want and you'll find the Gazette Want Ads coming to your assistance.

As an advertising medium, it is perfect. Where else can you place an advertisement and know you are reaching an exclusive, interested audience who actually wants something? Readers who read your advertisement because they have a need. That is the reason you will find so many advertisers in today's Want Ads that were in the same section years ago. It is a medium that makes the advertising dollar count the most.

Census and private surveys show that places under 25,000 population account for 56 percent of all retail outlets in the country . . . the smaller localities as a whole . . . are the big consumers of goods produced and distributed on a national scale. Georgetown (Ill.) News.

A country that lives long with budget deficits is like a man with the opium habit. The time comes when it is unable to distinguish between the world of economic reality and its own dream world. — N. Y. Times.

Railroads move the equivalent of more than 11 tons of freight one mile each day for every man, woman and child in the U.S. — Jacksonville (Fla.) Times Union.

Down the Years with The Townsman

50 Years Ago — July 1903

The traffic on the Reading line Sunday was the heaviest so far this season with the exception of the holidays.

Many Andover people witnessed the Barnum & Bailey circus parade in Lawrence Wednesday morning and large numbers also attended the afternoon and evening performances.

Hargreaves circus appeared here last Tuesday at the circus grounds on Summer street on the vacant lot east of Washington avenue.

A subscriber suggests that the B & M put an observation car on the train that leaves the South Lawrence station at 7:48 a.m. for Newburyport, as many could enjoy the lovely view along the river.

Miss Alice Bell returned to her home in Andover last Saturday after nearly three years spent in Germany and France.

Alfred L. Ripley has been chosen captain of the all-Massachusetts golf team which will be selected to meet the Oxford-Cambridge golfers at Essex Aug. 12.

The Haverhill & Andover street railway line is expected to open through North Andover soon as the differences between the selectmen and the company are being adjusted.

25 Years Ago — July 1928

Bathing beach at Pomp's proving to be a very popular place during the hot spell. Frank McBride, life guard, estimates that more than 7000 people have enjoyed the privileges of the beach to date.

Children on the community playground in rear of the Stowe school present interesting entertainment before a large audience of parents.

B & M is making \$10 million improvements at North station, Boston. Road has cleared way for direct artery between Park square and station, spacious new concourse of the main entrance finished and coliseum above will be finished in November.

Fire at Shattuck farm on River road extinguished before arrival of apparatus. Might have been serious had it reached the 100 tons of hay in the barn.

10 Years Ago — July 1943

Lightning sets two fires at opposite ends of the town within 10 minutes of each other during wild storm. Large barn off Mt. Vernon street became an inferno. Four companies from Lawrence sent aid. Loss about \$10,000. Fire in shed on Woodland road being investigated in connection with the finding of 40 gallons of what looked like gasoline in the shed.

Service flag at Carter's corner dedicated Sunday honoring 29 men now in service.

Excessive hot weather causes considerable increase in the use of water but there is no evidence of water shortage at pumping station.

NEW BOOKS

Lost Trails, Lost Cities, Fawcett.

This is a classic of exploration. It was written in 1921 by Col. P. H. Fawcett from notes made on his seven explorations into the Amazon Basin jungles, searching for a legendary civilization. On his eighth journey he disappeared and his work was edited by his son, who advances theories about his father's disappearance. Thrilling book!

With A Quiet Heart, LeGallienne.

Eve Le Gallienne tells of her contacts with people all over the world in the years of her success in the theater. She discusses the theatrical world, her place in it, the development of the Civic Repertory theatre which became nationally famous within a year. A sensitive portrait of a fine actress.

North From Malaya, Douglas.

Justice W. O. Douglas visited and studied five crucial fronts in Asia. Here is what he discovered going on inside Malaya, The Philippines, Indo-China, Burma and Formosa and points out the only way by which the communist tactics can be defeated. He has high praise for the Burmese and their faith in the democratic way of life.

Tuberculosis, Solomon.

Recent advances and current knowledge explained for general readers. New drugs are described, with stress still on early diagnosis, hospitalization and rest.

Music Makers, Gelatt.

Concerned with musicians who seem important in the effect which their work has had on music interpretation. Chief facts of each musician's life are given in brief sketches.

Malenkov, Stalin's Successor, Ebon.

Very little is known about Malenkov, who succeeded Stalin in March this year. For the first time a noted analyst of Russian affairs, who has followed Malenkov's rise for the past five years, paints a picture of the man and the leader.

Invitation To England, Fish.

Emphasis not on what to see but how to see it. Thoroughly indexed travel information.

Our Animal Neighbors, Devoe.

Once again the Devoe team has produced a delightful book about

the out of doors. Readers of Burroughs and Teale and Peattie will be thrilled with it.

Other non-fiction titles which speak for themselves: Hydraulics, Daugherty; Dominoes, Palmer, Carey and Training of Home Cage Birds, Hausman; Major Campaign Speeches of Adlai E. Stevenson, 1952; American Firearms Makers, Carey; Better Flower Arrangements For Home And Exhibition, Bear; How To Sell Like A Star Salesman, Simmons; Explorations In Science, Kaempffert; The Crucible, a play, Miller; Color In The Garden, Taylor.

Mystery stories: Widow's Mite, Holding; The Wench Is Dead, Fenisong; Dead; Senate Office Building, Scherf; The Cat Walk, Olsen; The Crimson Clue, Cox; Collector's Item, Dean; The Case Of The Grinning Corilla, Gardner.

A few books of recent fiction: The Singer Not The Song, Lindop; Valley of Guns, Overholser; The Starmen, Brackett; A Multitude Of Sins, Molloy; There Must Be Love, Moore; Cotillion, Heyer; Sagas Of The Mounted Police, Mowery; The Man In The Moonlight, Gilmore.

QUESTION: I heard recently that when a thief gets money out of a safe by opening the combination it isn't "burglary" according to insurance companies. Is this true?

ANSWER: As a general rule that is correct. There are exceptions but usually "burglary" as defined in an insurance policy, must be accompanied by "forcible entry" or attempts at same.

Wedding...

LIGHTNER - BOYCE

Miss Dorothy Boyce of New York City, became the bride of E. Allan Lightner, July 9 in the Church of the Ascension there. The bride is the daughter of Mr. and Mrs. Frederick May Boyce of Barrington, R.I., formerly of Andover, where Mr. Boyce was a member of the Phillips academy faculty. The bridegroom is the son of Mr. and Mrs. Allan Lightner of Waterville, Me., where the senior Mr. Lightner is assistant to the president of Colby college. The Rev. Dr. Roscoe Thurston Foust performed the ceremony.

The bride, who was given in marriage by her father, wore a ballerina-length gown of embroidered white Swiss organdy, made with fitted bodice and bouffant skirt, and a matching cap of white organdy with a shoulder-length veil. She carried a shower bouquet of white Eucharist lilies. Miss Nancy Boyce of New York City, sister of the bride, served as her maid of honor. Three other sisters, Miss Elizabeth May Boyce of Barrington, Mrs. Alfred Loran of Dover, Massachusetts, and Miss Anne Robbins Boyce of New York, were her other attendants. Miss Elaine Loran and Miss Susan Lightner were flower girls. Mr. E. Allen Lightner served as best man for his son.

The ushers were: Lionel Lightner

of Wilmette, Ill., and Lawrence Lightner of Morristown, N.J., both brothers of the groom, Edward Metcalf of New York and Frederick May Boyce Jr. of Barrington, R.I.

A reception was held immediately following the ceremony, for members of the immediate families, at the Fifth Avenue Hotel, New York. On July 10 Mr. and Mrs. Lightner sailed on the United States for Europe, where Mr. Lightner will serve as American Consul General in Munich, Germany.

The former Miss Boyce is a graduate of Boston University College of Liberal Arts. She was for some years assistant editor of the Atlantic Monthly, in Boston. Since 1949 she has been employed in the International Information Administration of the United States Department of State. During the past year she was chief of a language desk at the Voice of America in New York City.

Mr. Lightner is a graduate of the Taft school and of Princeton University. He is a Foreign Officer of the United States Department of State. For the past two years he has been Counselor of the American Embassy in Pusan, Korea. His next post will be Munich, Germany. He is a member of the Metropolitan Club of Washington, D.C.

JUNIOR LEAGUE**Prospect Hill Wins**

Prospect Hill won a 9 - 2 game from Andover in the Junior League last Thursday night on the local playstead by staging a five-run splurge in the sixth inning.

The visitors did some heavy sticking throughout the game and finally made a runaway of what had been a fairly tight contest. Maroun, pitching for Prospect Hill, held the local boys to four hits while batting out three singles himself. Durand got three of the local four safeties.

Andover Wins

Andover crushed South Lawrence East 11 to 5 in a Junior League game played here Tuesday night. The contest was called at the end of the fourth inning due to darkness. A total of 21 bases on balls were issued in the short span of the game.

LITTLE LEAGUE

The Andover Cardinals dropped one to North Andover and picked up one against the Methuen Braves in the suburban Little League circuit this week.

On Sunday, the Cards managed to eke out one hit when they faced Sanborn of the North Andover Pirates who earned a 3-0 shutout at Waverly Park in North Andover. Leete was the only Andover batter to hit safely to save the North Andover twirler from posting a no hit, no run game. This victory boosted the North Andover team into first place in the suburban loop's southern division.

On Tuesday night, the Cards defeated the Methuen Braves 5 to 2 at Methuen. A larger score for Andover was denied when a grand total of 13 baserunners died on the bases. Jim Richardson was the heavy stick wielder for the Cards producing three straight hits and collecting at home plate on two occasions. Lucey belted out two singles for the Andoverites in three trips to the plate. Dubocq pitched for the winners and held the Braves to three hits, fanning eight. He also hit a double in one official appearance at the plate.

On Friday night the Andover Yankees play the Methuen Braves at Andover and the Cardinals play the North Andover Indians at North Andover.

Red Cross Notes

Mrs. Harold Smith is now serving as Junior Red Cross chairman for Andover chapter, replacing Mrs. Walter Mondale, who is retiring after giving very successful leadership to the group. Both local and international projects were carried out by the young people with Mrs. Mondale's assistance.

Miss Gladys M. Thomson, who will serve as president of the Junior Red Cross Council for the coming year, has just returned from the Junior Red Cross Training Center help at Hood College, in Frederick, Maryland. Miss Thomson, one of over 2000 delegates to the conference, has come home full of enthusiasm for the possibilities for service through Red Cross. She reports that she was particularly impressed by the young people attending who had come from foreign countries and were so eager to make some return by way of service or leadership for all that Red Cross had done for their families and the many, many others in distress as a result of war.

Miss Thomson's final comment was, "Everything was fun, but everything in the day's program had an instructive purpose, too, from the 9 a.m. assembly through the discussions and on to the closing sessions of the evening. Even the swim hour and the movies were tied in with our First Aid and Disaster programs."

Crusaders Win Fifth Straight

The Ballardvale Crusaders' Junior Baseball team won their fifth straight game in a thrilling 11-10 victory over the North Andover Junior team Friday evening at Grogan Field in North Andover.

Coming from behind in the late innings, the Crusaders, led by Rick Doucette and Dave Robinson, staged a sixth inning rally which netted four runs and wrapped up the ball game.

Crusader 3rd baseman Cliff Sharpe opened the inning with a walk and stole second, Lawrence Riley then lined a single to center scoring Sharpe and Allan Smeltzer followed with another hit to send Riley to third. Both runners later scored when 2nd baseman Rick Doucette smashed a triple down the right field foul line and Doucette tallied the final run on Robinson's double to left.

The spectacular fielding play of the day occurred in the final inning when North Andover was making a bid to tie the score. The North Andover outfielder blasted a line drive over the head of Frank O'Hara, Crusader left fielder, and O'Hara, displaying the kind of hustle that has characterized the Crusader team in its recent contests, immediately turned and sprinted after the ball. Reaching the ball as the player rounded second, O'Hara wheeled and threw to the relay man, shortstop Dick Lawrence who then fired a perfect throw to catcher Riley to cut down the runner at the plate.

The victory was the fifty consecutive triumph for the Crusaders and the third straight win for pitcher Frank White.

The Crusaders will make a bid to maintain their winning streak with a game Friday night at the Ballardvale field with the Indian Ridge team.

The score:

MONDAY'S RAIN BOON TO FARMERS

in the summer season as in the year 1953. Besides his extensive garden crops, which he markets in Lawrence and Cambridge, Mr. Rasmussen raises 400,000 annuals each year for private flower gardens. He employs six.

Similar sentiments were expressed after Monday's rain by Andover's dairy farmers, who said the second hay crops should be helped by the rainfall although considerably more of the same is needed to assure healthy harvests.

51 Swimmers Registered As "Intermediates"

The Intermediate class under instructors Tony Sullivan and Cadet Jack Cole have completed the second week of classes. Registrations to date number fifty-one. The purposes of the intermediate class is to instruct the pupils with a better skill in different strokes, and ease in swimming. Last Saturday morning the members of the class swam out to the raft to gain confidence in themselves. During the remainder of the season Mr. Sullivan hopes to teach the class the use of three different strokes with ease. The members of the class are as follows: Sanford Beardsall, Donald Brouck, June Beaven, Robert Bliss, John Birdsall, Fred Conway, Leo Cronin, Alan Cote, George Connors, Regina Cardella, William Cronin, Gary Dockran, Cynthia Cooke, Ralph Dockran, James Garland, Billy Gallant, Danny Dunn, Geoffrey Davis, Ruth Engel, Joyce Fisher, Elinor Finnerty, George Grandison, Richard Guild, Charlotte Hajj, Joyce Hajj, Ronald Hajj, Frank Higgins, Kathleen Hanley, Joe Hastings, Lynn Johnson, Jacqueline Lakin, Betty Lynch, William McCarthy, David Murphy, Eugene Marcure, Larry McKittrick, Robert Newcomb, Ann Potter, Anne O'Brien, Shirley Reynolds, Jean Porter, Priscilla Reynolds, Edward Skinner, Joseph Steele, Carol Ann Shaw, James Sheard, Janet Skulski, Martha Tuttle, Barbara Tuttle, Pamela Yancy, Constance Hightbrook.

After last week's incident over the two presumed lost swimmers, parents are asked not to send their very young children to the pond alone unless accompanied with an adult.

Plans are now in the blueprint stage for some form of a program for all at the completion of the classes for some time in August. Intermediate classes are held on Tuesday, Thursday and Saturday mornings 10-12.

Sewage System For Ballardvale May Start In Aug.

The construction of an \$80,000 sewage system and treatment plant in Ballardvale is scheduled to get under way shortly after approval of the project is given by the state public health council, it was announced by Warren Peterson, town engineer.

Plans are to erect the treatment plant at a location approximately 400 feet from the northerly end of Dale street and 1400 feet northeast of the Shawheen river railroad crossing. It is anticipated that construction will get underway in August. About 300 residents will benefit from the original construction and this number may be increased to 600.

Once approval of the plan is given, bids will be received for the construction of the plant, estimated to cost \$40,000. The laying of the sewerage system will be undertaken by the Board of Public Works at a cost of another \$40,000. Funds were appropriated at the March Town meeting, \$40,000 to be matched with an assessment in the same amount for construction of the plant. At present there is no sewage disposal system in Ballardvale.

The Public Health Department will conduct a hearing July 22 at 10 a.m. at the state house on the application of the Andover Board of Public Works for the approval of the acquisition of land for the proposed site.

Andover Girl Gets Important Letter

Ten-year-old Susan Shaw, 30 Foster cir., and Mrs. Christian Herter, wife of the governor of Massachusetts, have been exchanging letters.

It all began with a neighborhood fair, sponsored by Susan and her playmates, the proceeds of which were directed to worthwhile charities. The children, all under eleven years, realized \$14 from the fair. There were seven in all: Susan, Donnalee Shiebler, John and Ann Cussen, Linda and Barry Low and Peter Whiting. Each took \$2 and donated it to his or her favorite charity.

Susan sent her \$2 to the Boston office of the Mass. Arthritis and Rheumatism Foundation. She received a speedy thank-you note from Mrs. Herter for unselfishness.

And then Susan wrote to Mrs. Herter of her special interest in this fund: "I didn't tell you before why I sent the money to the Arthritis Fund," wrote Susan. "My 'Nanna' has been sick with arthritis for 37 years and she has been in a wheelchair for 22 years. I hope this will help someone get well."

Keeping out of a quarrel is easier than fighting your way out.

(Continued from Page One)

of schools Kenneth L. Sherman, has he acquitted himself of the duties which now occupy his talents.

Contrary to a layman's general opinion, there's much to do when school is closed for the summer session and Supt. Erickson has rolled up his sleeves and dug in to the work at hand. He said a repair and painting program is in full sway in the various school properties, to which he has given attention. Two classrooms are being constructed in the basement of the Shawsheen school which will be used in September by first graders. A cafeteria is under construction at the Shawsheen school which will be operated in con-

junction with the one previously conducted at the West Central school.

Already in Andover to acquaint himself with the duties of Pynchard high school headmaster has been Lindsay J. March, who will begin official duties in September, succeeding Harold Howe 2nd.

Supt. Erickson now lives in Methuen and Headmaster March now lives in Middleboro. Both are house-hunting in Andover.

NOW! Ford Master-Guide *the last word in* Power Steering!

"WHO NEEDS
MUSCLES?"

Master-Guide applies hydraulic steering power automatically... and in varying degrees as required... right at the steering linkage, close to the wheels. At the same time the system serves as a hydraulic shock absorber to keep road jars and jolts from your hands. As a result all you do is... guide the car... Master-Guide supplies the muscles.

It's the newest in a long list of Ford advancements that make this Ford the outstanding car for '53!

No other car near Ford's price has ever offered you so much! Ford was the first in its field to bring you V-8 power. Today, Ford alone of all the low-priced cars offers you the smooth, unsurpassed performance of a V-8 engine. And Ford's Six with Overdrive, won the Sweepstakes in this year's Mobilgas Economy Run.

Ford first brought to the low-price field a completely automatic transmission that combines the smoothness of a torque converter and the gas-saving "go" of automatic gears. In all, Ford offers 41 "Worth More" features.

And now, in addition, Ford brings you the newest and finest in power steering... Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More" car... worth more when you buy it... worth more when you sell it.

HELPS YOU OUT OF "TIGHT SPOTS!" The tougher the going the more Master-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to hold a steady course. Master-Guide also absorbs the shock that might otherwise be transmitted to the steering wheel. All handling is easier with Master-Guide and parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard steering mechanism will operate just as usual. Thus, Master-Guide provides new ease with full security, wherever you drive. Optional on all V-8 models at extra cost.
